

The NUS High School is a specialised school offering a seamless 6-year programme to students between the ages of 12+ and 18 years and who have an aptitude for Mathematics and Science. We invite suitable applicants for the following position.

ADJUNCT TEACHER in the following subject: **Physics & Engineering**

We are looking for candidates who possess a relevant professional teaching qualification (or Post-Graduate Diploma Education equivalent) and

- have a passion in the relevant teaching subjects and inspire students to love the subjects via teaching and role modelling
- can participate and contribute to the planning, development and teaching of an integrated 6-year curriculum in the relevant teaching subjects
- are effective within and outside the classroom, adopt innovative pedagogies such as IT-enabled learning, differentiated learning, collaborative learning and learner-focused interaction

Requirements:

- A good Bachelor's or higher Degree in Physics or Engineering
- Competent in teaching Physics at GCE O-Level content or GCE A-Level H2 content

Employment Terms:

6 months contract, subject to renewal

Remuneration will be commensurate with qualifications and experience. Interested applicants, please apply at <https://impress.ai/html-widget/chat-widget/35eb3222-f834-4654-abe5-fb591db9efbf/>

Please contact hr@highsch.nus.edu.sg if there are questions.

Only shortlisted candidates will be notified.
