

The NUS High School is a specialised school offering a seamless 6-year programme to students between the ages of 12+ and 18 years and who have an aptitude for Mathematics and Science. We invite suitable applicants for the following position.

OUTREACH EDUCATOR in the following subject: **Physics & Design Engineering**

We are looking for candidates who are able to:

- inspire a love for science in young students especially upper primary school level.
- plan, develop and teach the knowledge of science for the above disciplines through engaging, hands-on workshops.
- initiate creative ideas to raise interest and awareness of outreach workshops.
- be effective within and outside the classroom, adopt innovative pedagogies so as to cater to a wide range of abilities
- initiate and mentor simple and short research projects with primary school students.

Requirements:

- A good Bachelor's Degree.

Employment Terms:

Up to 2-years contract term, subject to renewal

Remuneration will be commensurate with qualifications and experience. Interested applicants, please apply at <https://impress.ai/html-widget/chat-widget/6a77183f-ab2a-4e25-8603-c1a2bb1558d1/>

Please contact hr@highsch.nus.edu.sg if there are questions.

Only shortlisted candidates will be notified.
